Dear Prospective Sponsor,

The West Nashville Sports League is seeking your support in providing Basketball, Baseball, Flag Football, Soccer, Softball, Golf and Cheerleading to the youth of Middle Tennessee.

Since 1997, WNSL has been an athletic outlet to thousands of area boys and girls. As a youth sports league, we take great pride in the achievements of this program, which operates at the highest level and is a strong catalyst in keeping the youth of our community on the playing field. The WNSL mission is to teach children the fundamentals of basketball, baseball, flag football, golf, soccer, softball and the art of cheerleading while promoting discipline, dedication and team work in a fun, safe, and friendly environment.

One of the largest obstacles our organization faces is providing quality playing and learning experiences for many participants who are on a limited budget. The ability to meet the cost of operating and maintaining a quality program would not be possible without you, our community leaders.

Your donation will help fund first-rate manpower, provide quality equipment and playing fields, and enable us to keep our costs low so children of all social and economic backgrounds can participate.

Your contribution will make a difference and become a part of our community's effort to do something very positive for our youth and future leaders. The benefits are the young adults who will have been given the opportunity to learn lessons in self-worth, character, fair play, sportsmanship, discipline, team spirit, hard work and unity.

Respectfully,

President, West Nashville Sports League

The FFL/FBB Times is the WNSL's bi weekly newsletter filled with important updates, photos of the week, upcoming events and other announcements.

All coaches and parents will receive the newsletter by default.

Please note: While it is your option to unsubscribe, this newsletter is the league's best method to deliver vital information to the all participants in the league. We encourage you to scan/read through each issue for information you or your parents may have missed.

WNSL Spring Flag Football League (FFL) Frequently Asked Questions

If you have a question, start here. If you still cannot find your answer on this page, e-mail scott@wnsl.net

Sign-Ups, Cost and Division Questions

When Can We Register? Registration is open now through February 14th.

How do I register and pay online? Go to www.wnsl.or and click on the sport that you would like to register for. Once on a sport-specific page, log into your WNSL account (see the Log In Button on the right side of the screen). Once logged into your account, click "Register Now" to select the sport you would like to register your child for. If you do not have a WNSL account click the "Register" button on the right side of the screen to register/create an account. You will then "Add Participants" to your account and select which sport(s) you would like to register them for.

What if I do not want to register online? You can download a paper registration from the flag football page that you can mail in with a check. There is a \$10 paper registration fee.

What if I forget to register? After the initial registration deadline the price to register increases and is only available on a case by case basis. Players will be added to existing teams or new teams created if the need arises.

Do you give refunds if my child decides not to participate? Refunds are only given with a Doctor's excuse that a child cannot play due to injury (less a \$35 administration fee). Registrations may be transferred to another sport up until the Coach Meeting or uniforms are ordered, whichever comes first. After uniforms are ordered or the coach meeting has occurred, there is no transfer of fees available.

What are the age divisions?

We have 10* Divisions:

Pre-K/K
1st Grade
2nd Grade
3rd Grade
4th Grade
5th Grade
6th Grade
7th/8th Grades
9th/10th Grade
11th/12th Grade

*Some divisions may be combined if need be because of numbers of players and teams.

Why did the divisions change from being based on age to being based on grade? Due to the amount of requests for players to be transferred in order to play with classmates, the WNSL decided to base the divisions on grade level instead of age. However, the WNSL holds the right to move a team up a division, if two or more of its players are much older than the average age of the players in the division.

Are players allowed to play up or play down? Players are allowed to play up a division. However, players must have approval from Scott Tygard (scott@wnsl.net) in order to playdown.

If my player is not on a preformed team, how and when will I know which team he/she is on? Individuals not on a team (Free Agents) will be contacted by their coach following the Coaches' Meeting in Late-February. Parents of free agents may be called upon to help coach or procure a coach if the free agents do not have a coach.

Can a player play on two teams? A player cannot play on two teams in the same grade. A player may, however, pay two registration fees and play up for his second team. Example: A third grader may play on both a third grade and a fourth grade team.

Can girls play? Yes. The FFL league is Co-Ed.

How much does it cost? Pre-K – K Divisions - \$160 1st Grade– 12th Grade Divisions- \$180

What is included in the registration fees? Minimum of 7 games, end of season tournament, referees, insurance, newsletter, website, excellent fields, all equipment such as pylons, flags, sportsmanship trophies for some teams and a jersey.

How do you form teams? The WNSL is open to fill teams, partial teams and free agents. All players are welcome to request a coach on their registration, however, this is just a request. There is no guarantee that a participant will be placed on the team that they request. We try our best to accommodate requests, however, coaches with pre-formed or partially formed teams submit rosters with the players they intend on playing on their team. We go by this roster first. Players not on a preformed team are free agents and we work to place them on a team with classmates/players from their area or create an entire team from Free Agents.

Coach-Related Questions

Who Coaches the Teams in the WNSL? The WNSL Flag Football League relies on volunteers to coach. Some teams bring coaches with them and often parents coach. If you are interested in coaching or being an assistant you may indicate this on the “Volunteer” portion of the registration site.

How are coaches certified? Coaches are screened at the Coaches' Meeting and sign a “Code of Conduct” as well as complete a background check.

How does a parent notify the league that he or she would like to coach or be a team parent? During the online registration process there is a “Volunteer” page. Click on the volunteer position you would like (Coach, Assistant Coach or Team Parent) and fill out the requested information. You will then be assigned to your child's team once the registration process is closed.

Once I register, how long will it be before I hear from a coach? The coaches' meeting is held in Late February to finalize all rosters. After that meeting a coach will be in touch with you.

How do you come up with team names? The coaches determine team names. Team names can be NFL teams, generic names (such as Road Runners) or school names (with permission from school).

Weather, Fields, Opening Day, and FFL Basics

What Type of Flag Football does the WNSL Offer? WNSL feels all youth sports should be recreational in nature yet also competitive. The sports program is not a babysitting service but it is a league that does not encourage a win-at-all-cost attitude. Sportsmanship, camaraderie, fun and learning the game are the most important aspects of our flag football league. The WNSL feels that the casual recreational player as well as the more serious competitive player will both be accommodated. In short, the WNSL wants players of all different levels to have fun, excel and feel good about what they are doing.

How long does the season last? The flag football season kicks off on March 22. Games are played every Saturday and Sunday throughout the day with the season ending in late May before Memorial Day Weekend.

Does the league provide photos for teams and individuals? Each team is given a time slot on photo day during the season to get their photos taken. The photographer has various packages available.

Where Are the Games Played? All games are played at the Warner Park Complex (Vaughn Road and Old Hickory Blvd.) Teams will have the option to play games at an alternate location on Steeplechase weekend in Mid-May.

What happens in case of inclement weather? Are games rescheduled? How will a parent/coach know if games are canceled? Due to Metro Parks policy, games cannot be played when there is standing water on the fields. This is to protect the fields as well as protecting the players from injury. Games may be rescheduled for weekdays. If games are canceled there will be a notice on the homepage of www.wnsl.org as well as a notice sent out via social media (Facebook, X, etc) and an email sent to all participants (time permitting).

When and how often do teams practice? Teams usually practice once per week, however, practice frequency and location is determined by each coach. Official WNSL practice begins after the Coaches' Meeting.

How many players are on a team? Pre-K & K play 5 on 5. A minimum of 8 players will constitute a full team in the preK and K divisions. All other divisions play 7 on 7. A minimum of 10 players will constitute a full team in the 1st - High School divisions. Teams without the minimum number of players are not a "full team" and free agents may be allocated to fill the team. This is to minimize the number of forfeits and borrowing/adding players during the season.

What equipment does my player need? Players are required to have a mouthpiece and shorts with NO POCKETS. Cleats for youth football (Plastic spikes) are recommended but tennis shoes are OK.

Does WNSL provide referees for games? Yes. Trained referees are provided for every game played. Are there different rules for different divisions? Yes, review the rules on the Flag Football page of www.wnsl.org.

Does WNSL post standings? No, the WNSL does not provide standings for we do not want to promote over the top competitiveness and focus on the "Love of the Game" instead. If a tournament is held at the end of the season we will post scores for these games.

Is there a Postseason Tournament? Yes. Since there are no regular season standings, the tournament matchups are created through the records of the teams during the season.

Sponsorships and Financial Assistance

What if I am interested in sponsoring a team or the league? Please contact scott@wnsl.net about all sponsor questions.

Are there any opportunities for corporate sponsorships (other than the team sponsorships)? Yes. The WNSL offers corporate sponsorships for each individual sport, as well as the overall league. We also offer corporate sponsorships of our preseason and postseason basketball tournaments. You can see all opportunities under the sponsorship link at www.wnsl.org.

Does the WNSL provide financial assistance or scholarships? Yes. If you are in need of a full or partial scholarship, fill out and submit the financial assistance information at www.wnsl.org. Someone will be in touch in regards to the amount of financial assistance available for your participant.

Miscellaneous Questions

Are end of season trophies presented to the league champions/runners up? The Flag Football League does not award Championship and Runner-Up trophies to teams. We like to keep the focus on purely the Love of the Game. We do give out "Love of the Game" sportsmanship trophies to teams that exemplify good sportsmanship throughout the season. We provide player medallions upon request from the coach.

What is the difference between WNSL and other flag football leagues? The West Nashville Sports League is a top-notch youth sports organization that emphasizes all players valuing the pure love-of-the- game over a winning-at-all-costs attitude. We work hard to keep everyone heavily involved in the community by promoting and being involved in local organizations, colleges and events. Providing the best field conditions possible, certified referees, excellent communication to all participants, parents and coaches and an informative and user friendly website, the WNSL goes above and beyond to create a memorable and positive experience for all involved.

WNSL PARENT CODE OF CONDUCT

- I will encourage good sportsmanship at all times by setting a positive example for my child. I pledge to support all participants, including teammates and opponents, coaches, referees and spectators.
- I will demonstrate a positive attitude toward youth sports, not embarrassing myself, my child or any other participant by yelling or creating a scene. I will applaud good effort in victory and defeat.
- I will make sure my child is participating voluntarily in the sport and not forced to because of my wishes.
- I will strive to learn the rules and support the officials in their enforcement of them.
- I will support the goals of youth sports, including skill development, emphasizing fundamentals, building teamwork and encouraging fair play.
- I will support and communicate with the volunteer coaches, encouraging them to uphold the Coach's Code of Conduct.
- I understand that youth sports are not babysitting services. I will offer to participate as a coach, team liaison or parent, or provide transportation.
- I will demand a healthy environment, refraining from alcohol, drug or tobacco use at all sporting events. I will insist that all other participants display the same restraint.
- I will monitor game and practice venues for safety.
- I will teach my child to respect other players, coaches, referees and spectators, regardless of their race, creed, gender or ability.
- I will strive to make youth sports fun. After all, that's why my child signed up!

LEAGUE PRACTICE VENUE

The WNSL does not provide practice spaces but venues will be discussed at the coach meeting.

INSURANCE QUESTIONS

The WNSL does provide full insurance for outside practice venues. You can obtain a certificate upon request.

To receive your copy of the insurance policy, contact Angela Salcido at West Point Insurance:

E-Mail: angela@westpointinsurance.com

Phone: 800.318.7709

Inform her you are with the WNSL, give her the facility name and address and you will receive your policy within one day.

FREE AGENTS ON YOUR TEAM?

If one or more players have been added to your roster, please notify that player's parents immediately via phone and e-mail.

If a problem arises with the new player(s) -- for instance, being unable to practice during your scheduled time or living too far away from practice locations -- **please contact Scott (scott@wnsl.net) immediately** so that we may make other arrangements.

Thank you for your cooperation in these matters

LAZY PARENTS OR LAZY PLAYERS

When players do not show up for practices without a good reason, advise the parents that their child's playing time may be affected. If it becomes a pattern, contact Scott (scott@wnsl.net) with proper documentation and we will determine the best course of action, which will likely include an OK to cut that player's playing time. We will inform the parents of this decision.

Please note that submitting these requests and proper documentation must be done during the week and may not take place on game day. The WNSL will not tolerate cutting a player's playing time for "a lack of practice" without these materials. Thank you for your cooperation on this matter.

ABSENT PLAYERS LEAVING YOU SHORT?

Occasionally, a player may be added to a roster for a game due to low numbers. The added player must be eligible to participate in the division in question. If you need to add a player, please e-mail Scott (scott@wnsl.net) at least two days prior to the game. These changes may not be made on game day!

SCHEDULE AND STANDINGS INFORMATION

The season schedule will not be published until early to mid-March. When posted, it will appear on the league website at the top of the Flag Football page.

We will not post standings or records due to the league's mission of promoting a love of the game rather than a love of winning.

Middle season standings adjustments

If your team is 0-4 or 4-0 at midseason, you may be moved up or down a division in an attempt to promote evenly-matched competition. Please inform your parents of this up front as the WNSL encourages players, coaches and everyone involved to be gracious in both victory and defeat.

End of season adjustments

The WNSL reserves the right to alter the schedule in the final two weeks of the season if needed. This will occur, once again, to promote competitive balance. If we see a major mismatch, teams will be moved around in order to create equal competition.

Please make a habit out of checking your schedule multiple times each week

Though we will do everything in our power to give a week's notice if your original game time has been moved, please double check your schedule each and every week.

Coaches leading multiple teams

Please make sure you list all the teams you are coaching on the request forms provided in the Addendum. We will do what we can to make the scheduling work for you. The league may not always be able to accommodate, so have your assistants prepared. No guarantees but we will do our best.

Teams unable to make a game

If you cannot field a team on a given week, please inform the opposing coach and the league and make a good-faith effort to find a replacement team for your opponent to compete against. The coaches' contacts are listed on the "Rosters" tab on the WNSL webpage after logging into your account. Note that you can only view the coaches' contacts information if you are logged into your account.

Forfeits

Forfeits will not be tolerated. Coaches should CONTINUOUSLY check their schedule. Please communicate with your parents in advance to ensure player availability.

WEATHER CANCELATIONS

For weather cancelations:

1. There will be a notice on the www.wnsl.org website.
2. A message will be posted on the League's Twitter feed (@WNSLonline), Facebook (www.facebook.com/Wnslonline) and Instagram (@WNSLonline)
3. We will try to send out an email out to all participants.

No messages or notice means games are on as scheduled.

If your game is rained out, games will be rescheduled as quickly as possible -- likely in the first available slot. Please make sure to check your schedule early and often after a rainout!

The league will do its best to reschedule all rained out games.

AFTER SEASON AWARDS AND RECOGNITION OF TEAMS

- Upon request from a coach, players will receive a free participation medallion.
- There will be no championship trophies for the teams that have won their division or think they have won. Trophies will be awarded to postseason tournament winners.
- No standings are recorded or published.
- The regular season is for learning, improving, playing the game the right way and having fun. We do not recognize winning with trophies and standings.

LOVE OF THE GAME TEAMS AWARDS

We do recognize teams that are good sports, have good attitudes, play to learn and have fun, don't complain, have supportive fans, good coaches and are doing what the WNSL asks them to do with a large trophy at the end of the season. We call this award the "Love of the Game Trophy," and it is the WNSL's highest honor.

UNIFORM DISTRIBUTION INFORMATION

Own uniforms

A team may wear their own uniform but you must declare this at the Coaches' Meeting. Teams wearing their own uniforms will receive reimbursement based on the cost of uniforms for that season.

One representative picks up uniforms

Uniforms will be distributed the week prior to the first day of games (March 23). Date and Time will be determined based on when all team uniform bags are completed and ready to be picked up. All coaches and participants will be given at least 48-hours notice of when uniforms will be available. Only **ONE TEAM REPRESENTATIVE** will be allowed to pick up the uniforms.

Jersey count

You will receive the number of jerseys equivalent to the number of players on your roster. Each player registered for a specific size during the registration process and that is the size that will be in the bag. A replacement jersey costs \$35 with no guarantee that it is in stock.

UNIFORM AND EQUIPMENT NOTES

- 1) **Mouthpieces must be worn at all times.** A player may not participate without one.
- 2) **Shorts or pants may not contain pockets.** Taping of shorts pockets is not allowed. The shorts must also be a different color than player's flags.
- 3) **Coaches on the field must wear a matching team jersey or the provided WNSL Flag Football shirt dri-fit – No exceptions!**

Flags are picked up at the Coaches' Meeting and you are responsible for returning them at the end of the season.

WNSL COACH CODE OF CONDUCT

- I will be a positive role model for my players. I will lead by example and always demonstrate sportsmanship and emphasize fair play.
- I will place the well-being of every player (whether he/she is on my team or not) ahead of my personal desire to win.
- I will organize practices that are both fun and challenging, designed to teach techniques and strategies that encourage team-play.
- I will emphasize skills development and improvement based on each individual player's needs, helping him/her gain confidence and self-esteem.
- I will consistently treat my players honestly and fairly. I will aim to be both a good communicator and listener. I will be generous in praise and never publically criticize.
- I will maintain an open line of communication with parents and encourage them to participate as instructors, team parents or liaisons.
- I will become knowledgeable in the rules of the sport, teach them to the players and support all league policies and regulations.
- I will inspect practice and game venues to ensure safe playing conditions. I will require players to be properly equipped at all times. I will teach safe and proper technique.
- I will abide by all WNSL policies. If there is a problem following these procedures, I understand that I will relinquish my coaching duties. I understand I am strictly a volunteer coach and not a member of the WNSL Board.
- I will create a healthy environment for sports by refraining from drug, alcohol and tobacco use.
- I will treat all players with respect, realizing this sport is created to benefit them.

CONCUSSION

INFORMATION AND SIGNATURE FORM FOR COACHES

(Adapted from CDC “Heads Up Concussion in Youth Sports”)

**Read and keep this page.
Sign and return the signature page.**

THE FACTS

- A concussion is a **brain injury**.
- All concussions are **serious**.
- Concussions can occur **without** loss of consciousness.
- Concussion can occur **in any sport**.
- Recognition and proper management of concussions when they **first occur** can help prevent further injury or even death.

WHAT IS A CONCUSSION?

Concussion is a type of traumatic brain injury caused by a bump, blow or jolt to the head. Concussions can also occur from a blow to the body that causes the head and brain to move quickly back and forth, causing the brain to bounce around or twist within the skull.

This sudden movement of the brain can cause stretching and tearing of brain cells, damaging the cells and creating chemical changes in the brain.

HOW CAN I RECOGNIZE A POSSIBLE CONCUSSION?

To help spot a concussion, you should watch for and ask others to report the following two things:

1. A forceful bump, blow or jolt to the head or body that results in rapid movement of the head.
2. Any concussion signs or symptoms such as a change in the athlete’s behavior, thinking or physical functioning.

Signs and symptoms of concussion generally show up soon after the injury. But the full effect of the injury may not be noticeable at first. For example, in the first few minutes the athlete might be slightly confused or appear a little bit dazed, but an hour later he or she can’t recall coming to the practice or game.

You should repeatedly check for signs of concussion and also tell parents what to watch out for at home. Any worsening of concussion signs or symptoms indicates a medical emergency.

SIGNS AND SYMPTOMS

| SIGNS OBSERVED BY COACHING STAFF | SYMPTOMS REPORTED BY ATHLETE |
|---|--|
| <ul style="list-style-type: none"> • Appears dazed or stunned • Is confused about assignment or position • Forgets an instruction • Is unsure of game, score or opponent • Moves clumsily • Answers questions slowly • Loses consciousness, even briefly • Shows mood, behavior or personality changes • Can't recall events prior to hit or fall • Can't recall events after hit or fall | <ul style="list-style-type: none"> • Headache or "pressure" in head • Nausea or vomiting • Balance problems or dizziness • Double or blurry vision • Sensitivity to light • Sensitivity to noise • Feeling sluggish, hazy, foggy or groggy • Concentration or memory problems • Confusion • Just "not feeling right" or "feeling down" |

WHAT ARE CONCUSSION DANGER SIGNS?

In rare cases, a dangerous blood clot may form on the brain in an athlete with a concussion and crowd the brain against the skull. Call 9-1-1 or take the athlete to the emergency department right away if after a bump, blow or jolt to the head or body the athlete exhibits one or more of the following danger signs:

- One pupil larger than the other
- Is drowsy or cannot be awakened
- A headache that gets worse
- Weakness, numbness or decreased coordination
- Repeated vomiting or nausea
- Slurred speech
- Convulsions or seizures
- Cannot recognize people or places
- Becomes increasingly confused, restless or agitated
- Has unusual behavior
- Loses consciousness (*even a brief loss of consciousness should be taken seriously*)

WHY SHOULD I BE CONCERNED ABOUT CONCUSSIONS?

Most athletes with a concussion will recover quickly and fully. But for some athletes, signs and symptoms of concussion can last for days, weeks or longer.

If an athlete has a concussion, his or her brain needs time to heal. A repeat concussion that occurs before the brain recovers from the first – usually within a short time period (hours, days, weeks) – can slow recovery or increase the chances for long-term problems. In rare cases, repeat concussion can result in brain swelling or permanent brain damage. It can even be fatal.

HOW CAN I HELP ATHLETES TO RETURN TO PLAY GRADUALLY?

An athlete should return to sports practices under the supervision of an appropriate health care professional. When available, be sure to work closely with your team's certified athletic trainer.

Below are five gradual steps you and the health care professional should follow to help safely return an athlete to play. Remember, this is a gradual process. These steps should not be completed in one day, but instead over days, weeks or months.

BASELINE: Athletes should not have any concussion symptoms. Athletes should only progress to the next step if they do not have any symptoms at the current step.

STEP 1: Begin with light aerobic exercise only to increase an athlete's heart rate. This means about five to 10 minutes on an exercise bike, walking or light jogging. No weightlifting at this point.

STEP 2: Continue with activities to increase an athlete's heart rate with body or head movement. This includes moderate jogging, brief running, moderate-intensity stationary biking, moderate-intensity weightlifting (reduced time and/or reduced weight from your typical routine).

STEP 3: Add heavy non-contact physical activity such as sprinting/running, high-intensity stationary biking, regular weightlifting routine and/or non-contact sport-specific drills (in three planes of movement).

STEP 4: Athlete may return to practice and full contact (if appropriate for the sport) in controlled practice.

STEP 5: Athlete may return to competition.

If an athlete's symptoms come back or she or he gets new symptoms when becoming more active at any step, this is a sign that the athlete is pushing himself or herself too hard. The athlete

should stop these activities and the athlete's health care provider should be contacted. After more rest and no concussion symptoms, the athlete should begin at the previous step.

PREVENTION AND PREPARATION

Insist that safety comes first. To help minimize the risks for concussion or other serious brain injuries:

- Ensure athletes follow the rules for safety and the rules of the sport.
- Encourage them to practice good sportsmanship at all times.
- Wearing a helmet is a must to reduce the risk of severe brain injury and skull fracture. However, helmets are not designed to prevent concussion. There is no "concussion-proof" helmet. So even with a helmet, it is important for kids and teens to avoid hits to the head.

Check with your league, school or district about concussion policies. Concussion policy statements can be developed to include:

- The school or league's commitment to safety
- A brief description of concussion
- Information on when athletes can safely return to school and play.

Parents and athletes should sign the Parent Information and Signature Form at the beginning of the season.

ACTION PLAN

WHAT SHOULD I DO WHEN A CONCUSSION IS SUSPECTED?

No matter whether the athlete is a key member of the team or the game is about to end, an athlete with a suspected concussion should be immediately removed from play. To help you know how to respond, follow the Heads Up four-step action plan:

1. REMOVE THE ATHLETE FROM PLAY.

Look for signs and symptoms of a concussion if your athlete has experienced a bump or blow to the head or body. When in doubt, sit them out!

2. ENSURE THE ATHLETE IS EVALUATED BY AN APPROPRIATE HEALTH CARE PROFESSIONAL.

Do not try to judge the severity of the injury yourself. Health care professionals have a number of methods they can use to assess the severity of concussions. As a coach, recording the following information can help health care professionals in assessing the athlete after the injury:

- Cause of the injury and force of the hit or blow to the head or body
- Any loss of consciousness (passed out/knocked out) and if so, for how long
- Any memory loss immediately following the injury
- Any seizures immediately following the injury
- Number of previous concussions (if any)

3. INFORM THE ATHLETE'S PARENTS OR GUARDIANS.

Let them know about the possible concussion and give them the Heads Up fact sheet for parents. This fact sheet can help parents monitor the athlete for signs or symptoms that appear or get worse once the athlete is at home or returns to school.

4. KEEP THE ATHLETE OUT OF PLAY.

An athlete should be removed from play the day of the injury and until an appropriate health care provider* says he or she is symptom-free and it's OK to return to play. After you remove an athlete with a suspected concussion from practice or play, the decision about return to practice or play is a medical decision.

* Health care provider means a Tennessee licensed medical doctor, osteopathic physician or a clinical neuropsychologist with concussion training.

Sudden Cardiac Arrest Education and Information

What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens, blood stops flowing to the brain and other vital organs. SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

If not treated within minutes, SCA results in death. The normal rhythm of the heart can only be restored with defibrillation, an electrical shock that is safely delivered to the chest by an automated external defibrillator (AED).

How common is sudden cardiac arrest?

The Centers for Disease Control and Prevention estimate that every year there are about 300,000 cardiac arrests outside hospitals. About 2,000 patients under 25 die of SCA each year.

Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as:

- dizziness;
- lightheadedness;
- shortness of breath;
- difficulty breathing;
- racing or fluttering heartbeat (palpitations);
- syncope (fainting);
- fatigue (extreme tiredness);
- weakness;
- nausea;
- vomiting; and
- chest pains.

These symptoms can be unclear and confusing in athletes. Often, people confuse these warning signs with physical exhaustion. SCA can be prevented if the underlying causes can be diagnosed and treated.

What are the risks of practicing or playing after experiencing these symptoms?

There are risks associated with continuing to practice or play after experiencing these symptoms. When the heart stops, so does the blood that flows to the brain and other vital organs. Death or permanent brain damage can occur in just a few minutes. Most people who have SCA die from it. Symptoms are the body's way of indicating that something might be wrong. Athletes who experience one or more symptoms should get checked out.

Adapted from PA Department of Health: Sudden Cardiac Arrest Symptoms and Warning Signs Information Sheet 7/2012

What is the best way to treat Sudden Cardiac Arrest?

- Early Recognition of SCA
- Early 9-1-1 access
- Early CPR
- Early Defibrillation
- Early Advance Care

Public Chapter 325 – the Sudden Cardiac Arrest Prevention Act

The Act is intended to keep youth athletes safe while practicing or playing in an athletic activity. The Act requires:

- Require that, on a yearly basis, a sudden cardiac arrest information sheet be signed and returned by each coach and athletic director
- The immediate removal of any youth athlete who passes out or faints while participating in an athletic activity, or who exhibits any of the following symptoms:
 - (i) Unexplained shortness of breath;
 - (ii) Chest pains;
 - (iii) Dizziness
 - (iv) Racing heart rate; or
 - (v) Extreme fatigue; and
- Establish as policy that a youth athlete who has been removed from play shall not return to the practice or competition during which the youth athlete experienced symptoms consistent with sudden cardiac arrest.
- Before returning to practice or play in an athletic activity, the athlete must be evaluated by a Tennessee licensed medical doctor or an osteopathic physician. Clearance to return to full or graduated practice or play must be in writing.

I acknowledge that I have reviewed and understand the symptoms and warning signs of SCA.

What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens, blood stops flowing to the brain and other vital organs. SCA doesn't just happen to adults; it takes the lives of students, too. However, the causes of sudden cardiac arrest in students and adults can be different. A youth athlete's SCA will likely result from an inherited condition, while an adult's SCA may be caused by either inherited or lifestyle issues. SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

How common is sudden cardiac arrest in the United States?

SCA is the #1 cause of death for adults in this country. There are about 300,000 cardiac arrests outside hospitals each year. About 2,000 patients under 25 die of SCA each year. It is the #1 cause of death for student athletes.

Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as:

- fainting or seizures during exercise;
- unexplained shortness of breath;
- dizziness;
- extreme fatigue;
- chest pains; or
- racing heart.

These symptoms can be unclear in athletes, since people often confuse these warning signs with physical exhaustion. SCA can be prevented if the underlying causes can be diagnosed and treated.

Public Chapter 325 – the Sudden Cardiac Arrest Prevention Act

The act is intended to keep youth athletes safe while practicing or playing. The requirements of the act are:

- All youth athletes and their parents or guardians must read and sign this form. It must be returned to the school before participation in any athletic activity. A new form must be signed and returned each school year.

- The immediate removal of any youth athlete who passes out or faints while participating in an athletic activity, or who exhibits any of the following symptoms:
 - (i) Unexplained shortness of breath;
 - (ii) Chest pains;
 - (iii) Dizziness
 - (iv) Racing heart rate; or
 - (v) Extreme fatigue; and
- Establish as policy that a youth athlete who has been removed from play shall not return to the practice or competition during which the youth athlete experienced symptoms consistent with sudden cardiac arrest
- Before returning to practice or play in an athletic activity, the athlete must be evaluated by a Tennessee licensed medical doctor or an osteopathic physician. Clearance to full or graduated return to practice or play must be in writing.

I have reviewed and understand the symptoms and warning signs of SCA.

WNSL FLAG FOOTBALL LEAGUE RULES 05/01/2024

SPORTSMANSHIP

- Coaches are directly responsible for team members and spectators supporting their team before, during and after the game.
- If the game referees or field supervisor witness any acts of tackling, elbowing, cheap shots, blocking or any unsportsmanlike conduct, the game will be stopped, and the player or players involved may be removed for the remainder of the game. FOUL PLAY WILL NOT BE TOLERATED.
- Any trash talking or taunting intended to embarrass, ridicule, or demean others under any circumstance will not be tolerated. First offense is a warning, and the second offense is ejection from the game.
- League rules require fair playing time for all players.
- Smoking/ Vaping is NOT ALLOWED anywhere on the fields or other spectating areas.

EQUIPMENT/ UNIFORMS

- All participants will receive a football jersey that must be worn.
- Each team will be provided flag belts for games. Flags must be a different color from the shorts.
- Rubber cleats are optional; metal spikes are NOT allowed.
- All players must wear a protective mouthpiece, no exceptions.
- Coaches must return all equipment after the last game.
- Pockets are NOT permitted on shorts or pants. Players will not be allowed onto the playing field until properly outfitted.
- The WNSL will have approved game balls ready at each field. A team may opt to use its own ball on offense, provided it is of proper size, standard inflation and is in good condition. Each ball must be approved by the game's referee before the game begins.
- Size of Field—For Divisions playing 7 vs. 7, the field will be 30-yds. wide and 70-yds. long, including the end zones. For divisions playing 5 vs. 5, the field will be 25-yds. Wide and 60-yds. long, including end zones. Field diagrams are provided on WNSL website.
- Football sizes:
 - PK/K,1A,2A,3A—Pee Wee ball
 - 4A, 5A, 6A ----- Junior ball
 - 7A - High School ----- Youth ball
 - Note: All girls teams may opt to play with one size lower.
 - NOTE: Teams may choose to play with a larger ball, but not a smaller regulation ball.

START OF GAME

- The game will begin with a coin toss to determine possession. The team winning the coin toss chooses to play offense or defense in the first half or differ the option until to the other team. The team losing the coin toss determines which goal it wants to defend in the first half unless the other team has differed the option of offense or defense. Whichever team begins on defense in the first half will start on offense in the second half and vice versa. The directions of the two teams will also be reversed in the second half. Neither team may start both halves with the football, therefore, if you would like the ball first in the second half and win the coin toss, you should elect to play defense first.

- The ball will be placed at the 10-yard line (no kickoffs)
- Time will be kept by the referees.
- Game time is forfeit time...arrive early!

TIMEOUTS

Each team is entitled to 3 timeouts per half, with one being a 45 second time out and the other two being "clock stoppage time outs only". In this case, the clock stops when the time out is called and then the play clock time begins as it would between any other plays. This would be the same as if there was an incomplete pass or clocking the snap. This rule will give teams one extra clock stoppage without lengthening the game.

- Unused timeouts will not carry over to the second half.
- Officials may stop the clock at their discretion for injuries, etc.
- Note--When a touchdown is scored in the final minute of the first half or final two minutes of the second half, the clock stops at the time the touchdown is scored and remains stopped during the try for the extra point. The clock will then re-start on the first snap following the extra point. In a similar manner, if there is a Safety scored in the final minute of the first half or the final two minutes of the second half, the clock stops as soon as the Safety is called, and will not re-start until the following snap.

GAME PLAY

- WNSL plays a 7-on-7 format for all divisions except Pre-K and Kindergarten, which are 5-on-5. Each team must consist of the minimum six players (4 for PK and K) at all times. Failure to field required number of players will result in a forfeit and the teams will divide up and play a scrimmage game, which will be officiated by the referees.
- Two coaches are allowed on the field per team for PreK, K, 1A and 2A. One coach is allowed on the field per team for 3A, 4A, 5A, 6A, 7A, 8A, and High School divisions. All coaches must stay out of the way! Coach interference penalties will be called on those inhibiting the game.
- A game consists of two 20-minute halves with a running clock. The clock will stop for all qualifying dead balls for the final 1-minute of the first half and the final 2-minutes of the second half. (Refer to Game Clock: End of First Half and End of Game).
- There is no overtime in regular season play, however, if a touchdown is scored as time expires and the extra point is going to make a difference in the outcome, the team will be given the opportunity to attempt the extra point.
- Play Clock for PK, K, 1A, 2A & 3A is 45 seconds; for 4A, 5A, 6A, 7A, 8A, and High School it is 30 seconds. Point of Emphasis regarding the Play Clock—Referees will verbally count down the final 10 seconds if the snap is not imminent. This is to minimize any efforts to "dragging out the play clock to shorten the game".
- Each down sequence lasts four plays (Five plays for PK, K, 1A and 2A). Once the offensive team crosses midfield, it has 4 plays (5 plays for PK, K, 1A and 2A) to score a touchdown.

On a 4th down (5th down for PK, K, 1A and 2A), the offense may either "punt" ----- moving the ball to opponents' 10-yard line (5-yard line if punting team is beyond mid-field) ---- OR it can go for it. If the offense does not score or make a first down, the ball changes possession at the point where that play is marked dead.

RUNNING

- The quarterback for any given play is the first player to touch the ball after the snap.
- The quarterback may only run once per four-down sequence. During all other plays, the QB may not run the ball until after he gives complete control of the ball to another teammate.
- The center may only advance the ball after he has snapped it to the quarterback. All handoffs to the center must be wrapped around the body to his chest/hands—no-between-the-legs handoffs.
- Only direct handoffs or pitches behind the line of scrimmage are legal. Offense may use multiple handoffs and pitches. No laterals or handoffs past the line of scrimmage.
- The player who receives the handoff or non-forward pitch can throw the ball as long as he does not go past the line of scrimmage.
- Any lateral that is legally intercepted by the defense may be advanced the same as an intercepted pass.
- To avoid his/her flag being pulled, the ball carrier may not jump or dive. Spinning is allowed. If a player with the football jumps or dives, that player is determined to be down at the spot where the position of the ball was at the time he/she left the ground.
- There are “NO RUNNING ZONES” at the 5-yard line and five yards before midfield (except in the PK, K, 1A and 2A divisions, which may run the ball from anywhere on the field).
- Moving screens protecting the ball carrier downfield are NOT allowed.
 - NOTE: A player may occupy any downfield space but may not adjust positions to inhibit the defense.

RECEIVING

- All players, including the quarterback, if the ball has been handed off behind the line of scrimmage, are eligible to receive passes.
- Only one player is allowed in motion at a time. Motion must be parallel to the line or away from the line of scrimmage.
- Players must have at least one-foot in-bounds with clear possession of the ball when making a reception.
- Intentional pick plays in the secondary by the offense are not allowed and will result in offensive pass interference.

PASSING

- Laterals are allowed and will be viewed as a pitch, but the receiver must be behind the passer. Laterals cannot occur beyond the line of scrimmage.
- Teams must pass the ball at least once per down-sequence. Failure to do so will result in a 5-yard penalty for illegal procedure on the final down. Clarification—If a team has not passed the ball by 4th down (5th for PK, K, 1A, 2A), they must either pass or punt.
 - NOTE: A legal pass attempt is defined as a ball that is thrown from the backfield and crosses the line of scrimmage.
- Shovel passes are allowed, but DO NOT satisfy the forward pass requirement (unless thrown across the line of scrimmage).
- No passes are allowed beyond the line of scrimmage.
- Interceptions change the possession of the ball and may be advanced by the defense from any point on the field.
- The quarterback has 10 seconds to pass, lateral or handoff the ball. Once he gives up

control of the ball, the 10-second clock is no longer in effect. Failure to release the ball in the 10-second time frame will result in a sack.

- Play action fakes (fake handoff to runner and then pass) are legal in all divisions. Keep in mind that, unless the player is a designated rusher, defenders cannot cross the line of scrimmage until the ball changes possession.
 - NOTE: If the offense performs a play action fake, the defense is allowed a 1-yard penetration “grace” beyond the line-of-scrimmage as a normal reaction to the fake handoff.

FORMATIONS

- For 5v5 leagues (Pre-K and K), the offense must have 2 players on the line of scrimmage. For 7v7 leagues (1A, 2A, 3A, 4A, 5A, 6A, 7A, 8A and High School), the offense must have 4 players on the line of scrimmage.

RUSHING THE QUARTERBACK

- All players rushing the passer must be a minimum of seven yards from the line of scrimmage when the ball is snapped in the Pre-K, K, 1A, and 2A divisions. All players rushing the passer must be a minimum of ten yards behind the line of scrimmage when the ball is snapped in the 3A, 4A, 5A, 6A, 7A, 8A, and High School divisions.
- There is no limit to the number of players allowed to rush the quarterback.
- The offense cannot impede the rusher in any way. The rusher has the right to a clear path to the quarterback, regardless of where he or she lines up prior to the snap. If the “path or line” is occupied by a moving offensive player, then it is the offense’s responsibility to avoid the rusher. Any disruption to the rusher’s path and/or contact will result in a blocking penalty. If the offensive player does not move after the snap, then it is the rusher’s responsibility to go around the offensive player and to avoid contact.
 - NOTE: No blocking allowed
- Players not rushing the QB may defend on the line of scrimmage, but they may not cross until the quarterback relinquishes possession of the ball, including play-action fakes.
- Once the ball is handed off, the seven/ ten - yard rule is no longer in effect and all defenders may go beyond the line of scrimmage.

DEAD BALLS AND FUMBLES

- The center must snap the ball between his/her legs to start the play. An exception is made in the PK, K, 1A, and 2A divisions for players that need to snap the ball to the side.
- Substitutions may occur on any dead ball.
- Play is ruled DEAD when:
 - The ball carrier steps out of bounds
 - A touchdown is scored
 - The ball carrier’s knee or elbow touches the ground
 - The ball carrier’s flag is pulled, or his/her flag belt falls off
 - A fumble, lateral or forward pass hits the ground.
 - An inadvertent whistle by a game official
- There is no change of possession on a fumble that hits the ground. The ball will be spotted where it first hits the ground, and the down will count. If the player intentionally fumbles “forward,” the ball will be marked at the point of last possession.

- Fumbles that are “intercepted” in the air are treated the same as a pass interception and are therefore a live ball.
- Fumbles occurring in the team’s own end zone will result in:
 - The ball being placed on the 1-yard line (PK, K, 1A, 2A)
 - A safety (3A, 4A, 5A, 6A, 7A, 8A, HS)
- If a player catches a pass with no flag belt, the completion will count, and the ball will be spotted where the player makes the catch.

SCORING

- Touchdown: 6 points
- Extra point:
 - 1 point (played from 5-yard line ----- pass only except PK, K, 1A & 2A)
 - 2 points (played from 10-yard line ----- run or pass)
- Defensive interception returned for a score during an extra point attempt:
 - 1 point if the offensive team is attempting a 1-point-try.
 - 2 points if the offensive team is attempting a 2-point-try.
- Safety: 2 points

PENALTIES

- Referees determine incidental contact that may result from normal play.
- Only the team captain or head coach may ask the referee questions about rule clarification and interpretations. Judgment calls are not arguable.
- Games cannot end on a defensive penalty ----- unless the offense declines it.
- Penalties are assessed “live ball” first, then “dead ball.” Live ball penalties must be assessed before play is considered complete.
- Penalties will be assessed half the distance to the goal when the penalty yardage is more than half the distance to the goal.
- Failure to wear a mouthpiece will be a dead ball/delay of game penalty. Players must exit the game until he/she retrieves a mouthpiece (NOTE: once the ball is snapped, players are assumed to have started the play with a mouthpiece.
- Players must wear their flags on their hips/sides. Failure to start the play with flags worn properly will result in a dead ball/delay of game penalty. Flags shifting to positions other than on the hips during live ball play will not be penalized. Each player must check flag position between downs.
- Failure to tuck in jerseys will result in a dead ball/delay of game penalty.
- Offensive Coach Interference results in the player being down at the spot of contact.
- “NO RUN ZONE PENALTIES”
 - Pre-Snap or Dead Ball Penalties—If the offense fouls before (i.e. Delay of Game) or at the snap (i.e. False Start), the defense can accept the penalty, which will put the offense outside the No Run Zone (at which time they can run or pass) or decline the penalty (which will keep the offense in the No Run Zone).
 - Live Ball Offensive Penalties—Any Live Ball foul by the offense that is accepted by the defense may or may not change if there is to be No Run Status for the next play. If the penalty is accepted and that places the ball outside the No Run zone, the offense is again eligible to run or pass.

GAME CLOCK: END OF FIRST HALF AND END OF GAME

- The clock will stop in the final 1-minute of the first half and the final 2-minutes of second half for the following occurrences:
 - Incomplete passes
 - Ball carrier runs out of bounds
 - All scoring plays and extra points
 - Any penalties on the team that is winning the game.
- NOTE: If a touchdown is scored as time expires in the first half, the team will be allowed to attempt the extra point. If a touchdown is scored at the end of the game and the extra point will make a difference in the outcome, the team will be given the opportunity to attempt the extra point.
- NOTE: when the score differential is greater than 17 points in the final two minutes of the second half, the clock will not stop.

END OF SEASON TOURNAMENT

- No player may play on two teams. A player that plays on two teams will cause the second team to be forfeited from the tournament.
- No team may use a non-rostered player in the tournament. Teams that use a player that is not listed on their regular season team roster will be forfeited tournament.

Resolving Tied Games – Overtime Procedures

- An overtime period is untimed play after a regulation game has ended with the score tied. During an overtime period, each team has an opportunity for an offensive series of downs.
-
- When the score is tied at the end of the 2nd half, the referee will instruct each team to return to their team benches for a 1---minute rest period and to confer with their coaches.
- Officials will conduct a coin flip with coaches, with the winner of the coin flip having first choice among these three items: 1) To play offense first; 2) To play defense first; 3) To choose which end of the field on which the overtimes will be played. The other coach will choose from the remaining choices. Example: If first coach chooses to play defense first, the other coach chooses end of field.
- There are no time-outs in the overtime periods.
- Once an end of the field is determined, all overtimes will be played on that end.
- To start the 1st and 2nd overtime, the offense will put the ball in play, first and goal on the defensive team's 10---yard line (10 yards to go for a touchdown). That series of downs ends if the offensive team scores or if the defensive team intercepts a pass or catches a non---grounded fumble.
- After a score or failure to score by the offense, the opposing team gets a series on offense in the same manner.
- If the score remains tied after the first overtime, teams will alternate who plays offense first for al succeeding overtimes.

SHOOT OUT

- Beginning with the 3rd overtime, "shoot out rules" will go into effect.
- Each team will take turns getting one play from the defense's 5-yard line for one point or the defense's 10-yard line for two points. Whether to go for one or two points is up to the offensive team. Whether or not the team that begins on offense converts, the team that started on defense gets a chance on offense to win or tie by converting a one- or two-point play of its own.
- If the second team on offense in an overtime round fails to beat or match the team that went first, the team that went first wins.

WNSL Out-of-Grade Player-Exception Policy

(For "Graded" Sports such as Flag Football, Indoor Soccer, & Basketball)

"A team is limited to one out-of-grade exception, when approved by WNSL (decision to approve will not be automatic but considered on individual basis with guidelines such as player age, size, experience in the sport, skill-level, etc.). WNSL, after a chance to observe the player, reserves the right to either (a) move-up the player or (b) move-up the entire team if the player is exceptional."

In some cases there may be a decision that the league approves two players/team to play down. This MUST be approved by league director scott@wnsl.net.
